

Head Start

October 3rd, 2018

Don't forget! This Sunday, we will not be meeting at Harrison Square, instead, we will meet at Westminster Presbyterian Church for a combined service. We hope to see you there!

Feeding People. Body. Mind. Spirit.

You have likely noticed our new banner at the main entry way to the Church announcing that our vision this year at HSPC is “Feeding people. Body. Mind. Spirit.” In a sense, this vision has been a part of Harrison Square’s DNA for decades. We feed the body through The Abundance Pantry, our Community Garden, Basic Needs, Family Nights, and our Rest Stop Ministry (not to mention our amazing soup and bread luncheons!). We feed the mind through classes like the Reframe one that is being offered each Sunday at 9 AM for adults, or through our children’s Sunday school classes offered during worship. We feed the spirit through worship services, through The Common Room, and through our Candlewood Ministry. Each week, our community is feeding people—stepping into some void in our larger community and embodying the love of the gospel in a multitude of ways. As we embark on this mission together this year, I hope that each of us will pray about how God best wants to use our unique gifts, skills, and passions to “feed people.” Maybe for some of us, it is being in prayer for these ministries. Maybe for some it is pulling weeds and picking tomatoes, maybe for some it is supporting the

work of these ministries through your generosity. If you're reading this, you have a part to play! What's your part?

The Common Room

Last night we had our second gathering of The Common Room for the Fall! We again had about 50 young folks gathered together in worship and community! Today I meet with the New Worshipping Communities from Olympia the Olympia Presbytery. I'm eager to share with other worshipping communities about what's happening at The Common Room, as well as to hear from others about their respective ministries. Last month, TCR became an official "worshipping community" in the Olympia Presbytery.

Interested in Membership Class

Last year we added 20 new members at HSPC between two separate membership classes. In the past few months, we have been so excited to see new faces at HSPC on Sundays as our worship attendance continues to increase. Many folks have joined us because one of you offered a special invitation to be a part of our family. Others have joined through connections with one of our missional communities like The Candlewood Ministry or The Abundance Pantry. Of course, the point of our Church is never to get people to come to us, but to "go" out and to meet people where they are. That being said, we're delighted that many new folks have decided to worship with us and are enthusiastic about becoming a part of HSPC's mission to the community.

If you're one of those "new people" or if you're just interested in what membership in our Church looks like, I hope you'll join us on Sunday, October 21st following worship (11:00 AM -12:30 PM) for a special time together. We will share pizza and discuss what's next for those that are interested in Church membership! I'm looking forward to this time with great expectation!
