

## HEAD START August 5, 2018

### Sermon

The sermon this coming Sunday will focus on "Give us this day our daily bread." Is this request limited to food or symbolic of other things? Have you ever been without any food? Whom does the "us" include? Does Jesus being the bread of life (John 6) have any bearing on the meaning of this petition? Is the bread of the Lord's Supper included?

### Congregational Gathering

After worship on July 22, Mark and I presented information about our proposal for him to move from being our Director of New Ministries to being a Minister for Harrison Square. We also talked about whether or not to make The Common Room one of our ongoing ministries. In this proposal, his job description will include many of the things a pastor does. He is not eligible to have the title of pastor at this time.

After worship on August 5, Mark and I will make a similar presentation for those who were unable to attend July 22. There will be an opportunity to ask questions. After this, Mark and I will leave so you can share your heartfelt responses. Those of you who attended the gathering on July 22 are welcome to come to the gathering this coming Sunday if you have more questions or comments. The gathering will take place in room 207, across the hall from the women's restroom.

### Missional Community Updates

#### Community Garden

This past week, we harvested zucchinis, some peas and 19 pounds of green beans. What wasn't used in the Daycare for kids lunches, was passed on to The Abundance Pantry for distribution in our community. We continue to pray for leadership about who the right person is to help lead this important missional community. Be in prayer about if this is something God is calling you to be a part of.

#### The Abundance Pantry Every Wednesday of August

The Abundance Pantry is open today from 12:30-3 PM and will be open every Wednesday in August. Annette Gearns is also working on our Summer Feeding Program to make sure that kids in our community don't have to go without food during the month of August! Contact Annette if you want to get involved in some way: [carlannette@comcast.net](mailto:carlannette@comcast.net).
